

AGREEMENT BETWEEN
UNIVERSITA' POLITECNICA DELLE MARCHE – Italy
and UNIVERSIDADE FEDERAL DA BAHIA - Brasile

PREAMBLE

The Rector of the "Università Politecnica delle Marche" and the Rector of the "Universidade Federal da Bahia", willing to reinforce their academic relationship and to establish new co-operative ways agreed the following issues:

Article 1

The present agreement has been designed to facilitate University co-operation in both academic and research fields during the three cycles of higher education in common areas.

Article 2

In order to develop this co-operative programme, both parties agree to:

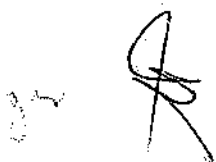

1. exchange the results of their pedagogic experiences (seminars, courses, etc.);
2. inform the other party about the congresses, debates, scientific meetings and seminars organized by each University, and exchange those documents and publications resulting from these activities;
3. foster, by respecting the laws in force in each country, the participation of the teaching staff of the partner University in courses, meetings, seminars, symposiums and conferences organized within the yearly programmes of co-operation;
4. foster the exchange of lecturers for a fixed period of time, being academic or research activities their main objectives. The exchanges will be regulated by the agreements between the departments involved.
5. accept students from the partner institution, provided they meet the in-force requirements established by the host University and under fixed suitability conditions. Mobility students will be covered by insurance against accidents as well as insurance for civil liability issued by the sending institution.

Article 3

Medical insurance for mobility students and researchers will be provided according to the current norms of the host country. In case there are no international agreements for medical insurance, the visiting person can provide for a medical insurance policy by himself.

Article 4

The specific co-operative programmes shall be drawn up annually and attached to the agreement.

Article 5

Both institutions have to decide the research programme and the relative source of funding for its fulfilment.

Article 6

1. Each structure will elect its own representative. The two representatives have to decide the research programme and the relative source of funding. They will also have to verify the achievement of the mentioned targets.
2. The representatives shall draw up the annual work calendar and deal with unsettled questions. They shall meet alternatively at both institutions unless otherwise stated.

Article 7

The agreement shall be forwarded to each institution's Government Bodies and signed by their principals. The agreement shall come into effect once signed by the parties.

Article 8

The present agreement is valid for five years from the date of execution and is tacitly renewed year on year, unless cancelled by registered letter issued by any of the parties at least three months prior to the date of expiry.

Article 9

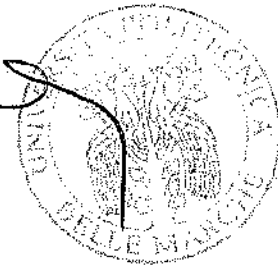

Any modification to the agreement, made upon consent of both institutions, must follow a procedure identical to that of the original agreement.

Article 10

Signed in two originals. Each Institution will keep a copy in original.
